REFUEL AUSTRALIA

CAPABILITY STATEMENT

REFUEL AUSTRALIA

Refuel Australia is a well-respected distributor of **Ampol** fuels and **Mobil™** lubricants throughout **Western Australia** and **Northern Territory**, our focus to provide a strong customer service.

As one of the main fuel distributors in the region, we have a successful history spanning over 40 years. Refuel Australia as your locally owned and operated Ampol distributor provides the perfect blend of big business backing with local knowledge and expertise to service a wide variety of customers large and small.

We deliver in excess of 400 million litres of fuel per annum to our customers covering a vast area.

Our core customers are in **Mining**, **Agriculture**, **Retail**, **Construction**, **Transport** and **Fishing** industries.

We run a fleet of trucks and tankers, employing a local workforce of 120 people in our **Geraldton** head office and outlying depots which include; **Carnavon, Dalwallinu**, **Kalgoorlie**, **Mount Magnet**, **Morawa**, **Meekatharra**, **Port Hedland**, **Three Springs**, **Welshpool**, **Darwin** and **Alice Springs**.

Refuel Australia has the network and knowledge to serve all customer needs throughout the region.

REFUEL AUSTRALIA

Our **Vision**

Refuel Australia's vision is to be the industry's leading fuel distribution business.

Always making safety our priority, recognising that our people are the greatest contributors to our success, challenging our communication to be clear, effectively utilising our assets and our network and always putting our customers at the centre of everything we do.

Our **Values**

Safety

Always making safety our highest priority.

Teamwork

Working together as one team to earn the trust of our colleagues, customers, suppliers, partners and the community.

Customer Commitment

Knowing our customers and what matters most to them and always striving to exceed their expectations.

Communication

Building open and honest communication, ensuring it is regular, relevant, clear and concise.

Environment

Applying best practice on environmental issues to minimise our impact on the environment and always respecting laws.

Continual Improvement

Remaining viable and sustainable by constantly reviewing and improving our productivity, equipment, assets, network and intellectual property.

REFUEL AUSTRALIA

CAPABILITY STATEMENT

Our **Commitment**

At all times, Refuel Australia provides our services in an environment dedicated to safety, being familiar with, and always meeting all legislative requirements. We can assist customers to ensure their fuel systems are implemented safely.

Refuel Australia is a highly professional operation, with thoroughly trained and committed team members.

Refuel Australia also respects the environment in which it has operated for 40 years, having in place a comprehensive environmental policy to govern our operations.

Based and working in remote locations, Refuel Australia knows how tough remote Australia is, so we have a strong community focus. We employ local people in the regions where we are strategically located. Along with this, we have been supporting numerous organisations, including sporting clubs and non profit projects to further support these communities.

REFUEL AUSTRALIA

CAPABILITY STATEMENT

Fuel

The core of Refuel Australia business for 40 years has been supplying and delivering reliable and efficient Ampol fuel. Our products offer the highest performance and quality you would expect from one of the largest global players in the petroleum industry.

Ranging from bulk fuel deliveries to refueling at one of the 37 strategically located Ezyserve sites.

With a fleet of over 50 prime movers and 110 fuel barrels, Refuel Australia has the fleet to deliver your fuel requirements.

Lubricants

Refuel Australia is an approved Mobil lubricant supplier. With the trusted Mobil name, we can offer a high quality product that will deliver a better performance for our customers. With the large ranges available at our depot locations, including different pack sizes, we will have a solution for you.

Along with the Mobil product range available to you, Refuel Australia also carries a range of truck washes, hand cleaners, brake cleaners and ad blue to name a few. With a technical team available to help with any query, we will offer a solution for your needs.

Refuel Card, Ampol Card & Ampol Cash

Refuel Australia offer a local card to utilise at the Refuel Ezyserve sites located around WA and NT. This card is unique to Refuel Australia and is a quick, easy option to get you using your account.

Use **Ampol Card** across Australia's largest branded service station network of ~1,800 locations and make it easy for your drivers to stop, fill up, and get back on the road faster.

Whether you need to fill up fast, grab a meal on the go, or want to reward a family member, friend, or colleague, **AmpolCash** is the pre-paid gift card that makes it easy.

$25, $50, $100, $250, $500 amounts available instore. **AmpolCash** digital is compatible with Apple and Android digital wallets.

Fuel Tank Storage Solutions

Refuel Australia can supply and install latest technology fuel management solutions with all accessories for both fixed and mobile refueling. Pumps, high flow bowsers, self-bunded fuel tanks and mobile storage are all available for short or long term hire.

We can also supply and install tank farms to meet specific customer needs.

With a rental fleet ranging from 1,000Lt up to 100,000Lt in self bunded diesel tanks and mobile trailer options available, Refuel Australia have a storage solution for you.

REFUEL AUSTRALIA

Roadhouses *in Regional WA*

Refuel started their retail business with the purchase of the iconic **Kumarina Roadhouse & Tavern** located 150 kms south of Newman. Kumarina services include: fuel, restaurant, convenience store, tavern, accommodation as well as a caravan park.

Swagman Roadhouse is located 600kms north east of Perth. Swagman supports the population of Mt Magnet, the surrounding areas and all travellers through the region, with services including: fuel, restaurant, convenience store, and accommodation.

Ampol Sunset is the local service station supporting the community of Sunset Beach north of the CBD in Geraldton.

Our convenience store / restaurants "**Refuel Café**", is not only for your car or truck but for your body and mind. We focus on: *quality food, clean facilities, barista coffee and friendly customer service*.

We continue to focus on improving our **Refuel Café** brand, so every customer receives a *fantastic experience supported by friendly customer service*.
